Teaching Learning Process

At Maa Kalawati Homoeopathic Medical College & Hospital, our Society (Tribal Social Welfare Society) our commitment to quality education and Medical training has seen the growth of our student. We prepare young students to be talents, medical officer responsibility and above all to be nation builders who cherish humane values. In our efforts towards the Doctor's mentioned goal, we have introduced practical courses to bridge the gap between the hospital & institution & Industry. We assess the student's strength and wellness in academics and aptitude and address their needs through various medical practical work bridge. Technology and other visual aids in our teaching methods, remedial & tutorial classes, project work and continuous internal assessment seminars, guest lecturer, were also organized.
